It's that time of year again to start thinking about golf, we at the Central Wyoming Chapter API hope you can join us for our **2021 API Scholarship Golf Tournament!** This year's tournament date is **June 10th and 11th at the Casper Country Club.** We are again offering an opportunity for either morning or afternoon shotgun starts, depending upon availability. With your financial support, we can continue to hold one of Casper's finest tournaments and reward scholarships to deserving young students in our industry throughout the area.

Our 2019 golf tournament raised over \$25,000 for scholarships to local students whom greatly appreciated and deserved assistance. As a sponsor of this tournament, you and your company will be part of this worthwhile endeavor. **We will show our appreciation by recognizing your company as a sponsor at every opportunity we can seize during this event.** Please review the Sponsorship options and levels of recognition.
